BLENDING COLORS FOR ALL INK TYPES

G/S Yellow

109 C · #FFD100

R/S Yellow

2010 C · #FFAD00

Orange

1665 C · #DC4405

B/S Red

1955 C · #8A1538

Y/S Red

199 C · #D50032

Green

3288 C · #008264

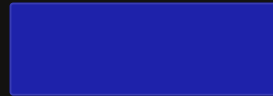

G/S Blue

2945 C · #004C97

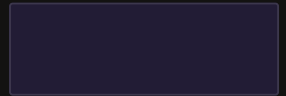

R/S Blue

4152 C · #135193

Ultramarine

2736 C · #1E22AA

Violet

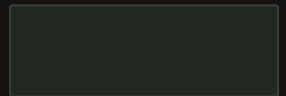

276 C · #221C35

Codes are Pantone spot references for matching only. Printed ink on fabric reads darker and less saturated than the values shown here — always approve a physical draw-down before production.

Cerise

7649 C · #8A1B61

Mixing Black

Black 3 C · #212721

FLUORESCENT COLORS

Neon Yellow
